Education

G.H.Raisoni College   **August 2019 - June 2021**
Bachelor of Computer Application   *Pune, Maharashtra*

Experience

Data Science Intern   **Present**
Seven Mentor PVT. LTD.   *Pune, Maharashtra*

- As a Data Science Intern at Seven Mentor PVT. LTD., I immersed myself in a dynamic learning environment, contributing my skills to innovative projects that bridged theoretical knowledge with real-world applications.
- Designed and implemented a scoring algorithm incorporating natural language processing (NLP) techniques, utilizing spaCy and NLTK libraries, to assess the alignment between candidate resumes and specific job requirements..

Projects

Resume Score Matcher | *Python, Pandas, Numpy, NLP, Spacy, PdfReader* |

- Developed an innovative Resume Score Matcher project using **Python, Pandas, NumPy, NLP, spaCy, and PdfReader**. The project aimed to enhance the hiring process by automating candidate evaluation.
- Developed a sophisticated scoring algorithm that quantified the alignment between the content of candidate resumes and the specific requirements outlined in job descriptions

Zomato Data Analysis : Cuisine | *Python, Pandas, Numpy, Matplotlib, Seaborn* |

- Employed **NumPy** for statistical computations, facilitating a deeper exploration of key metrics such as average ratings, popularity, and distribution of cuisines across different locations.
- Employed NumPy for statistical computations, facilitating a deeper exploration of key metrics such as average ratings, popularity, and distribution of cuisines across different locations.

Shopping Site | *MySQL, DDL, DML, DCL, DQL* |

- The Shopping Site project demonstrates the power of **SQL** in designing a comprehensive database schema, providing a solid foundation for a dynamic and scalable e-commerce platform.
- The Shopping Site project serves as a testament to my ability to translate business requirements into a comprehensive database structure, positioning the platform for scalable growth and enhanced user experiences.

Achievements and Certification

- **Statistic And probability** certification from sevenmentor pvt Lt
- **SQL** certification from sevenmentor pvt Lt
- **Pyhton** certification from sevenmentor pvt Ltd.
